

Rachel Green

Born and brought up in San Francisco, California, I am an aquarian who just turned 13 years old. Just so you know, I am the crazy aquarian everyone warned you about. On one side, I love exploring different things. On the other side, I do have a serious goal of becoming an entrepreneur.

Fun and super cool with a contagious disease called AWESOME - That's who I am.

LET'S TALK!

Aug 2019 - Jun 2020

Sunbeam Sr. Secondary School

I've bagged a lot of prizes both in Academics & Extracurriculars. These are some of the achievements I'm most proud of.

Aug 2019 - Jun 2020

Sunbeam Sr. Secondary School I've bagged a lot of prizes both in Academics & Extracurriculars. These are some of the achievements I'm most proud of.

My Main Hustle

My Work

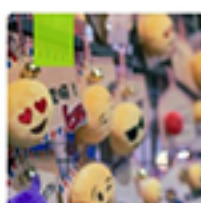

"I love coding & ever since I took up ProGrad Junior, I've built some cool projects. I've also picked up HTML, CSS & JavaScript"

Recipe Web Page

I built a Dalgona Coffee Recipe page using HTML & CSS.

[SEE PROJECT](#)

My Fav Emojis

I created my favorite emojis & cartoons using CSS only.

[SEE PROJECT](#)

Guess the Number

I built guess the number game using JavaScript.

[SEE PROJECT](#)

Rock Paper Scissors

I made a virtual rock paper scissors game using JS.

[SEE PROJECT](#)

Pokemon Game

I built the Pokemon based game using HTML, CSS & JS.

[SEE PROJECT](#)

E-birthday Card

I've built my own e-birthday card using JS.

[SEE PROJECT](#)

Topped my class with a CPGA of 9.2.

Was awarded 'Best Performer of the Batch 2018' for consistent performance in academic for 3 consecutive years.

Currently, taking up "ProGrad Junior Certification Program". Links to some of my projects - <https://github.io/rachel/game1>

Vice Captain, Sports Club of Sunbeam SSC. Bagged several prizes in Running (100 m), Dodge ball, Archery, Regional Badminton tournaments etc.

Member of #include - A global coding club for passionate coders

I'm Proud Of

My Side Hustle

When I'm free, you'll find me doing one of these. Honestly, I hate to laze around!
